SIR

I have the honour to state that some pipe line materials costing Rs 323-3-6 for the improvements of the Mandi Market latrine were issued to the President, City Municipal Council Mysore, during June 1925 in which centage charges at 10 per cent as required by rules was not included since it was thought that no such charges need be made for materials issued to the Municipality

2 But, during the course of the inspection of the accounts by the Comptroller it was urged that either the centage may be recovered or sanction of Government obtained

3 I request therefore that you will be so good as to obtain sanction of Government to waive this claim as also of centage charges in respect of all materials issued to the Municipality from time to time

I have the honour to be
